Prison Drug Offender Sentencing Alternative (DOSA) - Fact Sheet Supplement

In Calendar Year (CY) 2014, 679 offenders left the jurisdiction of the Department of Corrections (DOC) after serving a Prison (DOSA) sentence imposed by the courts. These sentences were imposed in 33 counties.

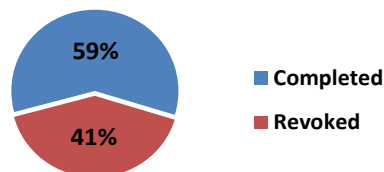

Treatment

DOSA offenders present at all severities of addiction. As such, they do not all complete the same treatment tracks but they are all required to participate in treatment following an assessment and recommended level of care. All Prison DOSA offenders released from DOC jurisdiction in CY 2014 participated in treatment during their DOSA sentence. Ninety percent of these offenders completed at least one treatment modality.

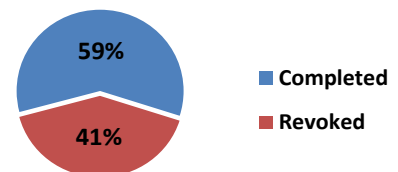

Revocations

Statewide, 58.9% of offenders released from DOC jurisdiction in CY 2014 completed their Prison DOSA sentence. Only nine offenders (1.3%) had their DOSA sentence revoked while serving the prison portion of their sentence. All other offenders were serving the community supervision portion of their sentence when their sentence was revoked. For counties with five or more DOSA offenders, the completion rate varied from 46.2% in Snohomish County to 85.7% in Clallam County. Below are charts showing the statewide completion rate and five select counties.
